Power Switch P/M 213400 Replacement

1. Turn the power off and unplug the power cord.
2. Remove the back panel from the dispenser.
3. Disconnect the wiring to the Power Switch.
4. Depress the locking tabs at the top and bottom of the switch and remove the switch through the front of the cabinet.

Note: The connections for the new power switch may not be the same as the old power switch. See Diagram.

5. Install the replacement switch and reconnect the wiring.
6. Install the back panel.
7. Plug the power cord in and turn the power on.
8. Verify the dispenser operates and place the unit back into service.
