Hopper Level Label Kit Part Number: 290056

The Hopper Level Labels are designed to give store personnel an indication of Hopper Level requirements in relationship to the sales volume levels.

Installing the Labels:

1. Clean the areas where the labels are to be applied with isopropyl alcohol on a clean towel. Scrub the area well and allow to air dry.
2. Apply the labels to the hopper; a suggested layout is illustrated below.
 - Red Label denotes high volume.
 - Yellow Label denotes medium volume.
 - Green Label denotes low volume.

1. When writing on the labels:
 - **Always use a dry erase marker.**
 - **The Sanford EXPO2 is recommended.**
