Accessory Basket Rack P/N 291041 installation.

Note: This basket rack can be mounted on the right side or the left side.

Tools Required: Flat blade screwdriver

Installation

Remove the top and bottom, back cover mounting screws (item #1) on the side the basket rack will be installed.
Install the basket rack shoulder bolts (item #2) where the back cover mounting screws were removed.
Slide the basket rack (item #3) over the shoulder bolts (item #2) and secure in place (as shown) with the locking plate (item #4).
Install the drip tray (item #6) in the lower slot.
